Notes: Dual-eligible population includes individuals who were enrolled in Medicare for the entire duration of their Medicaid enrollment in 2008. The population of aged and disabled non-duals includes full-benefit aged and disabled enrollees who were never dually enrolled in Medicare in 2008.

Includes all enrollees in CMC plans in 2008, including enrollees who were also enrolled in prepaid health plans.

To protect privacy, state counts representing fewer than 11 people were recoded to 11.

Comprehensive managed care (CMC) = HMO/HIO or PACE; NA = state enrolled less than 5 percent of dual eligibles or non-dual aged and disabled enrollees in CMC plans in 2008.
